---

Good Morning Pamela,

It was a pleasure speaking with you this morning. I understand that you are employed by the Warren County Health Department, and that you have a personal interest in learning about Superfund. I currently work in EPA's Superfund program, and find it a very rewarding experience!

I suggest you start off by going to the following website:

<https://www.epa.gov/superfund>

and reading the information found under "Learn About Superfund". Also, since you live in Passaic, NJ, I am providing the following link to a Superfund site in your county (the Ringwood Mines Superfund Site):

<https://cumulis.epa.gov/supercpad/cursites/csitinfo.cfm?id=0200663>

Once you look over all of this information, please feel free to call me with any questions and I will try my best to answer them.

Good luck, and happy learning!

Sincerely,

Jim

James S. Haklar, Ph.D.  
Environmental Engineer, Assistant to the Regional Public Liaison  
Office of the Director  
Superfund and Emergency Management Division
